

# Denbigh School— FINE ART A Level Sixth Form learning journey

The journey continues...

As a career, both art and textiles can offer a vast range of creative options including art director, art therapist, gallery manager, exhibition director, artist, graphic designer, printmaker, art/textiles teacher, jewellery designer, work in the fashion and retail sector. Each of these require a creative approach to how the world around you is seen and many degrees and courses give you the opportunity. You can complete a BA (Hons) degree in subjects such as Fine Art, Fashion Design, Digital Media, Illustration and more.
